

I have enjoyed K-LOVE ever since we have been able to get it in our area. It is contemporary Christian music, which is not available in our area. If K-LOVE were to be displaced by an LPFM broadcaster, many young people would not be reached with music that not only sounded good to their ears, but would reach their spiritual needs, which is fought for by so many other worldly music and peers. K-LOVE reaches children of all ages while parents are tuned in to the station as they go to school and work, so the music and message is meeting the needs of all ages. Please do not take this away from us. Thank you for reading and taking note of my comment.
